Form 990, Part III, Line 4a, Program Service Accomplishments:

Because International began with a simple idea: durable, growing

footwear developed for kids struggling to always have a pair of shoes

that fits. In addition to distributing footwear to kids around the

world, we've been committed to a production and distribution model that

creates opportunities for empowerment along the way.

In 2020, we produced all our footwear exclusively at a partner factory in Mombasa, Kenya. Our distribution model has largely relied on supporters bringing shoes while travelling around the world. This model was completely disrupted as the pandemic unfolded. However, we worked to establish distributions through partnerships in Africa and ran fundraising campaigns that specifically supported and enabled these partnerships. We have continued to develop our footwear, creating an even more durable and functional shoe at a more cost-effective price. We look forward to further development of our footwear and the distribution models we use to get them to the kids and families that need them most.

Form 990, Part III, Line 4b, Program Service Accomplishments:

After informally helping a handful of them with their ideas and businesses, we realized that instead of trying to come up with more of our own ideas for product solutions, we could better achieve our mission by coming alongside others with their own product ideas. It was at that point we decided to formally create the Pursuit Incubator - a LHA For Paperwork Reduction Act Notice, see the Instructions for Form 990 or 990-EZ. Schedule O (Form 990 or 990-EZ) 2020

2020 marked our first full year running the incubator and consisted of 2 cohorts that supported 18 entrepreneurs, each representing an exciting product solution that's solving an important need for the end-user and providing opportunities for those they're doing business with along the way.
